Complete Your Smart Home

Experience the Four C's of Exterior Lighting

Color

Compliment the exterior of your home or create dramatic landscape lighting effects with our full-spectrum tunable white and RGB color adjustable lighting system.

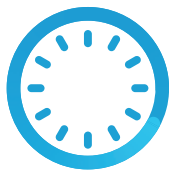

Control

Wirelessly control the color, intensity, and timing of your exterior lighting directly from your smartphone or Bluetooth enabled device.

Connection

Synchronize all your exterior lighting fixtures with a scalable and reliable Bluetooth Mesh network that will maximize signal performance and range. Patent pending 'connection enhancement technology'.

Convenience

Program various lighting scenes throughout the evening or week to create the perfect ambiance for outdoor events or bolster your home's security during nighttime hours.
